

Caesar shift cipher decode wheel

Instructions

1. Print this page, preferably on card.
2. Cut out the two circles.
3. Centre the small circle on top of the larger circle & secure through the centre with a paper fastener or small nut & bolt.

How to use

Set your wheel to the correct '**Shift**':
Work through the encrypted letter-by-letter, finding the matching letter on the outer wheel & writing the letter on the inner wheel underneath it on your decrypted message.
